

Give

yourself some space!

Your stuff is too important for anything less.®

Need to protect your tools,
secure building materials or
safeguard your excess inventory?

Then you need the best security storage available. You need **ProBox**.

We rent and sell secure containers you can be
proud to have on your property.

Our mission at **ProBox** is to change your perception of the storage container industry by offering three simple points that put us ahead of our competitors.

1

Sleek Storage

- New, well maintained inventory
- No dents, holes or surface rust
- Neutral exterior paint color to blend into environment

2

Super Strong

- 16-gauge corrugated steel construction
- Heavy duty all-steel doors

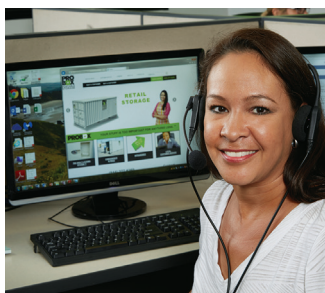

3

Seriously Secure

- Proprietary Vault Locking System®
- Two solid interior locking bars
- The ProBox Puck Lock is a 100% hardened steel lock featuring a hidden six-pin tumbler system

ProBox Portable Storage always provides competitive pricing.

This is who we are. **Local people** taking care of people. We'll earn your **trust** from the moment you call.

Family business. A family business with over 40 years of experience.

Sales philosophy. We treat you like you are family.

Transparent pricing. There are no hidden charges, ever.

Passionate service. Customer service is as important as our bottom line.

No call centers. We are a locally staffed business.

Do you need a little space
or a lot of extra space for specific
and unique storage demands?

All ProBox doors include our Vault Locking System.®

ProBox understands your business is
unique and has a container to meet your
space demands.

Size, security, appearance and **options** are important.
Let us take care of you.

Door on one end. ProBox's standard storage
containers come with dual heavy-duty, easy to
open, steel swing out doors on one end.

Door on both ends. ProBox storage containers
are also available with dual heavy-duty steel
swing out doors on both ends for maximum
convenience and storage efficiency.

Interior options. Contain your clutter, from
shelving to pipe racks, we can help you get your
stuff off the ground.

Give your stuff some exceptional
organized space.
